STRUCTURE, GOVERNANCE AND MANAGEMENT

The Richmond upon Thames District Scout Council is separate educational charity within the Scouts' federated structure and affiliated to the **County of Greater London South West Scout Council** (GLSW), and to the **Scout Association**. The rules under which the District Council operate are authorised by the Bye-Laws of the Scout Association, known as Policy, Organisation and Rules (POR), which, in turn, are authorised by the Royal Charter.

The District Council acts as an umbrella organisation to the individual Scout Groups operating within its geographical area, who are separate educational charities, and subject to the same rules.

The District Council directly administers the Explorer Scout Units within its area, as well as other District organisations.

All those joining any of the Scout Groups, Units or other organisations which operate within the remit of the District Council become members of the Scout Association.

The District Scout Council is the electoral body of adults which supports Scouting in the district and it is from that body that the District Board of Trustees is nominated/elected/co-opted and to which the District Board of Trustees is accountable.

Governance and Management

The District Lead Volunteer, formerly known as the District Commissioner (DC) is appointed by the County Lead Volunteer, a member of GLSW.

The District Chairman, District Secretary and Treasurer are elected at the Annual General Meeting.

Following discussions and agreement at the 2021 Annual Conference, further members of the District Council can be seconded for their specific role, skills, knowledge or experience.

Under the Scout Association Policy, Organisation and Rules (POR), the DC can nominate further members of the District Board of Trustees, for approval at the Annual General Meeting. The number of Trustees must number between 5 and 9.

Representatives of the leaders of each stage of Scouting are elected by their colleagues, as members of the District Operations Committee.

All members of the District Board of Trustees are subject to Enhanced Clearance by the Disclosure and Barring Service (DBS) (previously the CRB) and are given training appropriate for their post by the District Training Officer or his/her nominee.

The Trustees making up the Richmond upon Thames District Board of Trustees meet at least six times a year, and are responsible for:

- 1. Ensuring that the charity is carrying out its purposes for the public benefit
- 2. The maintenance of District Property
- 3. The raising of funds and administration of District finance
- 4. The insurance of persons, property and equipment
- 5. Supporting the development of Scouting on District public occasions
- 6. Assisting in the recruitment of leaders and other adult support
- 7. Appointing any sub-committees that may be appropriate
- 8. Appointing any District Administrators and Advisers other than those who are elected.

Day to day decisions affecting the operation of the affiliated Scout Groups are made by the District Commissioner, after appropriate consultation.

Day to day administration decisions are made by the Chairman, after appropriate consultation.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Trust. They are also responsible for safeguarding the assets of the District Council and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the preparation of the Annual Report and Financial Statements in accordance with the Bye-Laws of the Scout Association and the Charity Commissioners.

These require the District Board of Trustees to select and apply suitable accounting policies and then apply them consistently, to make reasonable and prudent judgements, and to prepare financial statements on the "going concern" basis for each financial year in accordance with the Statement of Recommended Practice – *Accounting and Reporting by Charities* (Charities SORP 2005).

Each Scout Group is an educational charity in its own right and must produce Group accounts in line with the reporting procedures. Some Groups are also registered charities, in which case they must produce Group accounts in line with the reporting procedures and provide an annual report to the Charity Commission.

The Financial Statements are subject to Independent Examination by a suitably qualified person.

RISK AND CORPORATE MATTERS

The Trustees take a cautious approach to risk. To that end they have taken steps to identify the major risks to which the District and Groups are exposed and taken necessary steps to mitigate them.

Individual members of the Scout Association are automatically covered by insurance through payment, by the District Council on their behalf, of capitation.

Risk Management Register.

Following the adoption of the Risk Management Register prior to the AGM in 2015, further meetings have been held to determine the appropriate steps that needed to be taken to mitigate the risks concerned. The Register will continue to be reviewed annually. It was last reviewed by the Finance & General Purposes Committee in June 2024 and the updated version agreed by the District Council at their subsequent meeting that month. INVESTMENT POLICY

The Trustees cautious approach to risk extends to its investments, and its reserves are only placed with highly secure, low risk funds. Day-to-day funds are kept with banks which are authorised by the Prudential Regulation Authority and in which eligible balances are protected up to a total of £85,000 by the Financial Services Compensation Scheme. Cash is held for the shortest possible time before being paid into a bank.

Surplus funds are deposited in interest bearing accounts with authorised Building Societies.

By investing funds through the COIF Charities Deposit Fund, the Trustees seek to benefit from their published social, ethical and environmental investment policies.

RESERVES POLICY

It is the intention of the District Council to hold sufficient reserves in cash and short-term investments to:

- Meet possible short term liabilities.
- Cover any adverse phasing of income and expenditure for approved major events.
- Provide six months operating costs of the District Council and its officers.
- ➤ Ensure that the Council Training Objectives are met.
- ➤ Be able to provide "start up" or support funding for any new Scout Group or Section which meets key objectives.
- ➤ Ensure buildings, which are the responsibility of the District Council, are maintained.
- Enable short term finance is available to Scout Groups who experience a critical problem with accommodation due to the age of their building or with the tenancy of the property.
- Be able to provide initial or support funding for any specific activity which meets the District Council's Objectives, and which may not be able to achieve short term selffinancing.

OBJECTIVES, ACTIVITIES, ACHIEVEMENTS AND PERFORMANCE

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

District Development and Growth Plans

As announced at the 2024 District Conference, District Development has focused on 3 key areas this year:

- Organisational restructure of adult volunteering teams
- Mandatory training and compliance of adult volunteers
- Continuous improvement of direct and indirect services for our youth members

The transformation in the way that adults volunteer in the Scouts is still in progress.

To support the new team structures (which included new role titles) and a completely revised learning programme for all adults, The Scout Association launched a whole new digital membership system which, it was hoped, would simplify the career path of every individual adult volunteer by providing a single digital portal where volunteers could manage their own learning programmes, permits, approvals, enquiries, role applications as well as access to a powerful data search facility.

Whilst some of its objectives were met (the learning portal works well for individuals), the digital system launched in December 2024 was – and still is – substantially flawed in its design and functionality and has had a significant negative impact on volunteer line managers and team leaders whose workload has increased considerably as a result. The Scout Association continues to work on system improvements over the next year or two.

Consequently, parts of the transformation programme has led to the loss of a number of adult volunteers – some because of the new and necessary hard stance regarding safety and other training compliance and others because of the additional workload the digital system has introduced. The Scout Association has apologised for the latter.

On a positive note, the changes will definitely result in a stronger and better trained team of volunteers that our youth membership and their parents can trust and rely on.

These administrative changes have had little direct impact on youth members – Scouting in this District remains very popular and membership continues to grow.

Indeed the uptake of Duke of Edinburgh Awards so far this year has reached record levels and the District Team continues to provide and improve a plethora pf District organised events and activities including camps, outings, excursions, hikes, competitions, parties, badge days and outdoor skills sessions which are the envy of many other Districts.

The purpose of The Board of Trustees

The Board is responsible for finances, governance & compliance and to uphold our charity's objectives. The Board also supports the District Lead Volunteer (formally the District Commissioner) and his team to fulfill their responsibilities and objectives.

In order to ensure year on year improvement in priority areas, the District Board of Trustees sets objectives, goals and targets and measures performance.

Consequently, all members of the District Team are appointed to monitor and report on certain aspects of governance and compliance directly to the Board as follows:

- **Finance** (Treasurer* supported by Finance Committee)
- Legal (District Team)
- Adult Training: (District Training Manager)
- People ('Head of People' aka Appointments Committee Secretary)
- Growth & Development (Lead Volunteer for Growth & Development
- Risk Management (Head of Risk)
- Data Analysis
- County Executive Liaison
- Adult Awards

*District Treasurer and Deputy are also Board Trustees

Mandatory training has achieved 100% compliance on numerous occasions, issues arising from incomplete or late DBS disclosures are now minimal, there is good evidence that our risks are being well managed and the continued focus on Development ensures sustained growth. These and other performance indicators will be presented at the annual Conference in September 2024.

Census returns:

The continued effort by all of our volunteers across the District has meant that youth membership is still increasing year on year and maintains an all-time record high.

FINANCIAL REVIEW

Under Scouting's Policy Organisation and Rules (POR), revised in May 2021, the District Council is directly responsible for the activities of any District Activities that it authorises, including the District Scout (Uniform & Badge) Shop, together with all Explorer Units, the District Network and District Fellowship. The financial records for all these have therefore been consolidated with those of the District Council in the preparation of this report.

Although, under POR, Explorer Units are responsible for deciding their own financial activities, many have an arrangement, formal or informal, with a Scout Group to have use of the latter's premises at a cost and for the Scout Group to handle the banking and record keeping.

At their meeting on November 15th 2012 the Trustees and Executive Committee of the Richmond District Scout Council, agreed to merge the Charity "6th Richmond (Lady Archers Own) Scout Group" with the Charity "Richmond upon Thames District Scout Council".with effect from 1st April 2012. This merger was subsequently approved by the Charity Commission. The accounts have been consolidated with those of the District Council.

As the balances at the Bank exceeded the £85k limit for protection under the Financial Services Compensation Scheme, the Executive Committee agreed to transfer £85k into a Business Instant Saver Account at the Nationwide Building Society. Subsequently a Corporate Bond was purchased from the Saffron Building Society for £85k

The District Executive agreed to support the construction of a new Scout Hut (Phoenix II) at Petersham and Ham by a grant of £25k and a loan of £50k, repayable over 10 years at nominal interest. The loan was transferred on 27th August 2020. Petersham & Ham SG completed repayment on 18th May 2024.

A request for help with major roof repairs to their Hut was received from 3rd Whitton, and an grant of £3k. and an interest-free loan of £7k over 10 years was agreed. The funds were transferred on 12th September 2019. A further loan of £480 was agreed to enable the creation of a new website. Subsequently it was agreed to write off £3k of the loan, in recognition of the extra costs incurred by 3rd Whitton by the establishment of 3rd Heathfield in the same accommodation.

At their meeting on 30th June 2020, the District Executive Council accepted the proposal, put forward by the District Commissioner, to establish a Uniform Shop with its own Bank Account based at the District Headquarters. During 2024 the Badge Shop was combined with the Uniform Shop. Sales were made by mail order, using the District Website. A physical shop was opened to allow purchasers to view, buy and collect items. It is intended to operate these arrangements on two occasions a week.

The surplus from both Shops would be transferred to General Funds.

The District Board of Trustees are planning to organize a District International Camp in Poland at the same time, and within easy travelling distance of the 26th World Scout Jamboree 2027.to be held near Gdańsk in the Pomorskie region, from 30 July to 8 August 2027.

In the Summer of 2025, the District Leadership organised and backed financially, a major camp at PACCAR Chalfont St Peter, open to all members of the District, the duration of their visits dependent on the age of the attendees. The theme was "Happy Birthday". Around 350 Scouts from Richmond attended the Camp.

In common with other parts of the Scout Association, the District Council depends on a significant number of adults giving freely of their time and expertise. The total amount of time given in 2024, similar to that in earlier years, is estimated as

Management &	Support of the	Management &	Regular Activities	Overnight Camps

RICHMOND upon THAMES DISTRICT SCOUT COUNCIL

Notes to the accounts

STATEMENT OF TRUSTEES' RESPONSIBILITIES

Charity Law and Scout Association Regulations require the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the District Council and of its financial activities for that period. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Scout District will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the District Council and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the District Council and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

1. Basis of Preparation

1.1 Basis of accounting

The financial statements have been prepared in accordance with applicable Accounting Standards including the Statement of Recommended Practice 'Accounting and Reporting by Charities (SORP 2005), with the Charities Act 1993 and under the historical cost accounting rules (except that investments are shown at market value)

1.2 Change in basis of accounting

There has been no change to the accounting policies (valuation rules and methods of accounting) since last year

2. Accounting policies

These accounting policies have been applied by the charity

2.1 Income

Recognition of incoming resources

with related

expenditure

Grants and

Tax reclaims on

donations

Incoming resources

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Where incoming resources have related expenditure (as with fund raising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

Incoming resources from tay reclaims are included in the SoEA when they

Incoming resources from tax reclaims are included in the SoFA when they have been received from HMRC

Contractual income and performance related grants

donations and gifts

This is only included in the SoFA once the related goods or services have been delivered.

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.

Gifts in kind

Gifts in kind for sale or distribution are included in the accounts as gifts if their value is in excess of £500 and only when sold or distributed by the charity.

Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

The value of the portacabins, donated by the Borough and used as a basis for the new HQ has not been included as their value, as received, is impossible to determine

Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material (above £500). The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Investment income

This is included in the accounts when received

Investment gains and losses

This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.2 Expenditure And Liabilities

Liability recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Depreciation

Depreciation is calculated to write off the cost of all tangible fixed assets, in equal annual instalments over their useful lives, normally estimated at 3 years, from the time when the asset was first brought into use. Because the new HQ is likely to be used for a period longer than other, smaller, items, the cost will be depreciated over a period of ten years.

Governance costs

Include costs of the preparation and/or examination of statutory accounts and cost of any legal advice to trustees on governance or constitutional matters.

2.3 Assets

Tangible fixed assets for use by charity

Tangible Fixed Assets refers to the new HQ at Kerswell Hall, tentage, cooking facilities for camping, IT equipment and associated items.

These are capitalised if they can be used for more than one year, and cost at least £500. Assets are capitalised where the cost of purchase exceeds £2,000. They are valued at cost or value to the charity on receipt.

Investments Capital

The charity presently holds investments only as Income Units in COIF Charity Funds, managed by CCLA. These are valued daily by CCLA, and their value at the date of the Balance Sheet taken from published sources

As at 31st December 2024 the amounts involved were In the name of Richmond District Scout Council

in the name of 6th Richmond (Lady Archers Own) Scout Group

Funds

The Net Assets of charity are represented by the following funds:

Unrestricted Funds

These may be used for any purpose in connection with the Charities' stated aims and objectives.

Restricted Funds

Funds raised, or donated for a specified purpose may only be used in furtherance of that objective unless the donors' permission or the approval of the Charity Commissioners has been obtained.

Badges Stock and Uniform Stock

These are valued at the lower of cost or market value.

3. Details of certain items of expenditure

3.1 Trustee expenses
