

Race Around The World

Scouting and COVID-19

Over 500 Scout groups – many of them based in communities that were already made vulnerable before the virus hit – are struggling. If these groups close, thousands of young people will miss out on all the life-changing skills and experiences being a Scout can bring, precisely when they need us most.

How have Scouts been affected?

So, how can we join in?

That's why we're calling all Scouts to join us in a sponsored virtual Race Around The World that allows you to enjoy the sights from the comfort of your own home, while raising much-needed money for groups that need it most!

Four teams (Beavers, Cubs, Scouts and Explorers) are racing each other to see who can be the first to travel the 43,000 miles. Everyone who takes part will be following our route and we're encouraging all teams to take on as many miles as they can manage, by doing their usual exercise and recording how far they have gone (virtually).

- Log your miles here: <https://www.scouts.org.uk/about-us/support-scouts/race-round-the-world/>
- Or, if you use Strava to track exercise, you can link that so that all miles are automatically recorded!

How can we contribute?

Whilst you are doing this, we are asking Scouts to help raise funds through sponsorship and donations:

- You can help us to raise funds by joining the “2nd Mortlake Scouts” team at: <https://scouts.enthuse.com/cf/team-scouts-race-round-the-world>
- You can make a one-off donation by going to: <https://scouts.enthuse.com/pf/2nd-mortlake-scouts>
- Don't forget to [log your miles](#) as you do them!

So far, we are 50% of the way!

Team Scouts: Race Round the World

Calling all Scouts, their leaders and supporters! Join Saray and Ed on an amazing Race Round the World. Enjoy the sights of the World from the comfort of your own home, while raising much-needed money for groups that need it most. Choose how to support us There are two ...
