

Richmond upon Thames Scout District

Details of Knowledge Workshops

As a District, we propose to offer regular “Drop in” knowledge workshops designed to help team members, whether new or experienced, refresh their knowledge/understanding of scouting – whether it is the programme, rules and regulations, processes, use of tools such as OSM, safety, communication, nights away, finance, equipment, building the team, special needs, programme content, design, planning etc., etc.

As we are running a pilot programme of monthly “scout skills” sessions in 2026 we propose to schedule the “drop in” sessions to take place on the same dates but from 1pm until 3pm. There will be no specific agenda set – anyone planning to come along on one the sessions should simply email Nigel Waine (nigel.waine@richmondscouts.org.uk) noting the areas that they would wish to gain/refresh their knowledge of.

Listed below are the dates monthly sessions that are planned for the 2026, and we invite team members to get in touch and book on as many of the sessions as you feel you need.

These sessions will take place at 3rd Hampton HQ, 59 Percy Road, Hampton, TW12 2JT

There is no charge for attendance
